

What makes YMCA camps so special?

SPECTACULAR SUMMER!

When the school bell rings our year is done. Now it's time for some Summer Camp fun.

Sitting at home is such a bore. So we are going to the YMCA, to see what they have in store.

It all starts off with School's Finally Out. Then we're headed back to the future, to see what the entire hubbub was about.

Ooey, Goey and Goopy are three weird textures you will feel. Help us uncover a groovy mystery with Scooby Doo zeal.

Let's join hands and rings as we celebrate the Olympics with flair. Bounce high at our Birthday party, where no other can compare.

Come seek out the treasure of our favorite buccaneer. Explore space to locate some aliens before they disappear.

We'll be swingin' and swayin' when we have a hula that rocks! Travel through time the museum way; see how history can stop a clock.

Have a crazy character caper as the summer end draws near. Be apart of our talent showcase and see how we can cheer.

So, come join us at the Spectacular Summer of Fun! It's at Camp Outback, because we are second to none.

ACA Accreditation means that our camp cares enough to undergo a thorough (over 300 standards) review of its operation by the American Camp Association (ACA) - from staff qualifications and training to emergency management.

American Camp Association collaborates with experts from The American Academy of Pediatrics, The American Red Cross and other youth service agencies to assure that current practices at the camp reflect the most up-to-date, research-based standards in camp operation.

YMCA Camp Outback and ACA form a partnership that promotes summers of growth and fun in an environment committed to safety.

You could do these and much more others at the RC Durr Camp Outback!
